

Join the Town of Southampton's Program

REDUCE!

Use disposable shopping bags only when necessary: to keep household soaps and cleaners separate from food stuffs for example.

REUSE!

Bring your own canvas, cloth or durable plastic bags. King Kullen deducts 5¢ for EACH reusable bag used off your shopping order when you bring in your own bags.

RECYCLE!

Return unwanted plastic shopping bags to designated bins located at any of the 4 Town Transfer Stations, Southampton Town Hall, Southampton Town Community Centers and any major grocery store, or a retailer who participates in "A GREENER SOUTHAMPTON." Please do not put plastic bags in your curbside recycling bin or Town Green Bag. King Kullen and Stop & Shop are established drop-off centers for smaller retailers to drop off their recycled bags.

A GREENER SOUTHAMPTON

"The Solution is in the Bag"
Bring Your Own Bag

TAKE THE PLEDGE

online at www.southamptontownny.gov/GreenerSouthampton

Merchants:

Sign a pledge with the Town of Southampton to:

- **Encourage customers to Bring Their Own Bags**
- Use signage and/or other lawful promotional pieces to encourage re-usable bags and recycling
- Display **"A GREENER SOUTHAMPTON"** decal in your store front window to show your support for our program (will be mailed upon online registration)
- Agree to display other green promotional pieces including Southampton Green Homes Program
- Act as a repository for single-use plastic bags and take to established drop-off centers
- Be featured on the Town's website as a participating business

Residents:

Sign a pledge with the Town of Southampton to:

- **Bring Your Own Bag**
- Recycle and Reuse your Bags

* Receive this reminder sign to hang in your car
